### History of the Competition

This competition celebrates a sculptor named Helen Farnsworth Mears born in Oshkosh in 1872. In 1903, the Woman's Club of Milwaukee gave Helen \$500 to represent Wisconsin at the first Worlds Fair, showing a 9-foot-tall sculpture that Helen created in middle school. The General Federation of Women's Clubs in WI has offered this competition to middle school children since 1927 in her honor.
